

SPENCER SX-R

Pickup stretcher

Spencer SX is a pickup stretcher with three blades for lifting and loading of patients on immobilizing or transport devices such as spinal boards, vacuum mattresses or transport stretchers.

Specific characteristics

- Extremely light and resistant structure
- The possibility to adjust the length confers high versatility
- Foldable to save space when stored
- Smooth surfaces easy to clean
- The numerous handles make the transport easier
- Belts with transport bag
- Aluminum joints for maximum resistance
